Ranger 17 2.5 HP

A heavy-duty floor machine with a 2.5 HP motor, perfect for polishing, scrubbing, and grinding tasks.

Ranger 17 2.5 HP

A heavy-duty floor machine with a 2.5 HP motor, perfect for polishing, scrubbing, and grinding tasks.

The **Ranger 17" 2.5 HP Floor Polisher** is a powerful, high-performance floor care machine designed for commercial and industrial use. Equipped with a 2.5 HP motor and a 17-inch polishing base, it delivers consistent, high-torque performance for polishing, grinding, and cleaning a wide range of floor surfaces, including marble, granite, wood, and tile. Operating at a stable 175 RPM, this floor polisher ensures a smooth, high-quality finish with each pass. Its durable construction and ergonomic design make it easy to operate, while its compatibility with standard accessories provides versatility for various tasks. Perfect for professionals who require both power and precision in floor maintenance.

ADVANTAGES

-  Delivers strong torque for tough polishing and grinding tasks
-  Ideal for even, smooth finishes on all floor types
-  Suitable for marble, granite, wood, tile, and concrete surfaces
-  Built with heavy-duty materials for long-lasting, professional use
