BREGNO ADHESIVE MIXER 1200 WATTS

Bregno 1200W Adhesive Mixer offers powerful, adjustable-speed mixing for adhesives, cement, grout, and more—ideal for 5–25 kg batches.

Bregno Adhesive Mixer 1200 Watts is a high-performance mixing tool designed for efficient blending of adhesives, tile grout, cement, plaster, and other construction materials. With a powerful 1200W motor and adjustable speed settings (1–6 levels) ranging from 0 to 900 RPM, it offers complete control for mixing a variety of materials. The mixer features a paddle length of $\Phi 110\text{mm} \times L500\text{mm}$, supports up to 120mm max paddle diameter, and uses a durable M14 threaded connection for secure attachment. Compatible with mixing volumes between 5–25 kg, it's ideal for both professionals and DIY users needing a reliable and efficient solution for on-site or workshop use.
