BREGNO TILE SPACER CLIP

Achieve flawless tile alignment with the **SMALL PLASTIC TILE LEVELING CLIP 1-5MM**, designed for precise spacing and a smooth finish.

The Small Plastic Tile Leveling Clip 1/2/3/4/5mm is specially designed for thin tile installations where precision matters most. Ideal for tile gaps ranging from 1mm to 5mm, this compact yet sturdy clip ensures perfect alignment and reduces lippage between tiles. Its lightweight plastic body is easy to use and supports a smooth, even finish across any surface. Perfect for wall and floor applications, it simplifies the installation process for both DIYers and professionals. The clip works seamlessly with leveling wedges or caps, making it an essential part of any tiling toolkit. Its single-use design ensures strong grip and stability during setting. Suitable for fine detailing and tight spaces.

ADVANTAGES
