

BREGNO SS STEEL STONE CLIP

Soft Head Rubber Hammer ideal for gentle, non-marring strikes during tile, wood, or delicate surface installations.

BREGNO SS STEEL STONE CLIP

Soft Head Rubber Hammer ideal for gentle, non-marring strikes during tile, wood, or delicate surface installations.

Engineered for strength and durability, our BREGNO Stainless Steel Stone Clips are the ideal solution for securely mounting stone panels in a variety of architectural applications. Crafted from high-grade stainless steel, these clips offer exceptional resistance to corrosion, weather, and wear—making them perfect for both interior and exterior use.

ADVANTAGES

-  Material Premium-grade stainless steel (AISI 304 / 316 available)
-  Suitable for granite, marble, and other natural or engineered stone facades
-  Design Precision-cut for optimal grip and secure fastening
-  Finish Smooth, rust-resistant finish for a clean and professional appearance
-  Installation Easy to install, compatible with a wide range of anchor systems

MATERIAL

- Stone cladding systems
- Ventilated facades
- Curtain walls
- Decorative architectural panels
