

BREGNO VACUUM LIFTER DOUBLE CUP

Superior quality heavy-duty vacuum lifter double cup allows easy lifting and handling of stone.

BREGNO VACUUM LIFTER DOUBLE CUP

Superior quality heavy-duty vacuum lifter double cup allows easy lifting and handling of stone.

Bregno Vacuum Lifter tool is a high density full aluminium alloy body with Virgin Rubber 5 Inch suction cups for lifting of all type of polished stones and tiles. It is a professional heavy duty tool in moving small or large format stone & tile slabs with lift capacity Upto 120 kgs per suction cup (Double). The vacuum lifter tool offers improved comfort and strength. The dual rubber vacuum suction cups with internal concentric rings ensure a strong vacuum hold. The vacuum created by double cups allows easy lifting of heavy weights. Simply place your Lifter onto the material and press down, the clips of vacuum cups, and you will create a powerful vacuum hold.
