# ULTRASHINE ECO

Superior quality flexible diamond resin abrasive tool designed to polish all type of marble, terrazzo & limestone surfaces, edges, profiles, bevels etc.

**ULTRASHINE ECO** is a superior quality Flexible Resin Abrasive Tool designed to optimize the grinding honing & polishing of natural stone surfaces. Thanks to its super flexible technology that can be used on hand held machine & floor machines to polish Marble, Terrazzo & Limestone. Advanced formulation developed for aggressive grinding & polishing with reduced steps to save labour costs. To be used just with water to achieve high gloss. Longer tool life makes the product highly economical to use.

## ADVANTAGES

-  Super lifespan
-  No orange peels with crystal clear shine
-  Super unique & different design with increased tool performance
-  Polishing just with water to achieve mirror like gloss
-  Environmental polishing by reducing water pollution

## MATERIAL

- Marble
- Terrazzo
- Limestone
