

BREGNO SURFACE PROTECTION FILM

Self-adhesive, transparent film designed to shield surfaces from dust, scratches, and stains during construction, renovation, or transport.

BREGNO SURFACE PROTECTION FILM

Self-adhesive, transparent film designed to shield surfaces from dust, scratches, and stains during construction, renovation, or transport.

Surface Protection Film is a high-quality, self-adhesive solution designed to protect a wide range of surfaces from dust, dirt, scratches, paint splashes, and abrasions during construction, renovation, or transportation. With a thickness of 150 microns, this durable film offers a reliable barrier without leaving adhesive residue upon removal. Supplied in a convenient 600mm x 50 meter roll, it is easy to apply and remove, making it ideal for use on tiles, glass, countertops, laminate flooring, and metal surfaces. Perfect for professionals seeking clean finishes and reduced cleanup time on job sites.

ADVANTAGES

-  Shields surfaces from scratches, dust, paint, and debris
-  Clean removal without damaging or marking the surface
-  Strong enough for high-traffic or heavy-use areas
-  Saves time on setup and cleanup
-  50-meter roll provides ample material for multiple projects

MATERIAL

- Grade Diamond
- Color-Coded Resin
- Rubber Backing
- Hook-and-Loop
