

# BREGNO BATTERY OPERATED TILE VIBRATOR

Bregno 21V Battery Operated Tile Vibrator ensures strong tile adhesion with efficient vibration, powered by 2 rechargeable batteries for uninterrupted use.

# BREGNO BATTERY OPERATED TILE VIBRATOR

**Bregno 21V Battery Operated Tile Vibrator ensures strong tile adhesion with efficient vibration, powered by 2 rechargeable batteries for uninterrupted use.**

---

**The Bregno 21 Volt Battery Operated** Tile Vibrator is a powerful and efficient tool designed to eliminate air gaps beneath tiles, ensuring firm and even adhesion. Ideal for large-format tiles, it delivers consistent vibration to help settle tiles perfectly into adhesive layers. Powered by two long-lasting rechargeable batteries, this cordless tool offers extended usage and uninterrupted performance on job sites. Its ergonomic design and adjustable vibration settings make it comfortable and easy to use, reducing installer fatigue while improving tile installation quality. Perfect for both professionals and serious DIYers seeking precision and speed in their tiling work.

## ADVANTAGES

---

-  Eliminates air pockets for stronger, more secure bonding.
-  Operates on 2 rechargeable batteries for hassle-free mobility.
-  Allows control based on tile size and adhesive type.
-  Perfect for vitrified, porcelain, and marble tile installations.
-  Reduces hand fatigue and increases ease of use over long periods.

## USAGE

- Quartz
- Marble
- Terrazzo
- Granite
