

BREGNO NOTCH TROWEL OPEN HANDLE

Open-handle notch trowels ensure even adhesive spreading for smooth and accurate tile installation on walls or floors.

BREGNO NOTCH TROWEL OPEN HANDLE

Open-handle notch trowels ensure even adhesive spreading for smooth and accurate tile installation on walls or floors.

Bregno Notch Trowel with Open Handle is ideal for smooth and efficient tile adhesive application on walls and floors. Featuring notched edges ranging from 3mm to 15mm, it ensures optimal adhesive control for various tile types. The 280 x 130mm blade covers a wider area, speeding up installation. Its ergonomic open handle offers a secure, comfortable grip for better control and less fatigue. Durable and easy to clean, it's perfect for laying ceramic, porcelain, marble, and stone tiles with precision. A reliable tool for both DIY enthusiasts and professional tilers.

ADVANTAGES

-  Ensures consistent coverage for strong tile bonding.
-  Suitable for different tile sizes and adhesive needs.
-  Covers more area for faster installation.
-  Provides a comfortable, non-slip grip for better control.
-  Built to last and simple to maintain for repeated use.
