

# BREGNO ELECTRICAL TILE VIBRATOR

Bregno 220V Electrical Tile Vibrator delivers powerful, consistent vibrations for flawless tile adhesion on walls and floors.

# BREGNO ELECTRICAL TILE VIBRATOR

**Bregno 220V Electrical Tile Vibrator delivers powerful, consistent vibrations for flawless tile adhesion on walls and floors.**

---

The **Bregno 220 Volt Electrical Tile Vibrator** is a high-performance tool designed to ensure proper tile adhesion by eliminating air pockets between tiles and adhesive. Ideal for wall and floor installations, especially with large-format tiles, it delivers strong and consistent vibrations to achieve a level, secure fit. Powered by a reliable 220V electric connection, it provides continuous operation without the need for battery charging. Its ergonomic grip and sturdy build make it suitable for prolonged use, enhancing installation accuracy and reducing manual effort. A must-have for professionals seeking speed, precision, and quality in tile work.

## ADVANTAGES

---

-  Ensures strong tile adhesion by removing air gaps.
-  Perfect for vitrified, porcelain, and marble tiles.
-  Powered by 220V for uninterrupted use, no charging required.
-  Comfortable grip reduces fatigue during extended use.
-  Helps achieve a level, professional tile finish with minimal effort.

## USAGE

- Large-format tiles
- Wall and floor tiles
- Marble
- Granite
